**PETITION UNDER 37 C.F.R. 1.313(c)(2) TO WITHDRAW APPLICATION FROM ISSUE AND  
REQUEST FOR CONTINUED EXAMINATION**

Pursuant to 37 C.F.R. §1.313(c)(2), after payment of the issue fee in the above-referenced case, but before issuance of the corresponding patent, Applicant herewith Petitions that the application be withdrawn from issue so that additional documents may be considered in the Request for Continued Examination (RCE) being submitted concurrently herewith. In support of this petition, Applicant submits an RCE form, a corresponding IDS, and copies of the articles listed on the IDS form.

The IDS identifies references cited by a foreign patent office during prosecution in a counterpart foreign application. Each reference was brought to Applicant's attention less than three months ago, and after the payment of the issue fee. In light of Applicant's duty of disclosure, the RCE and IDS are being filed to permit the Office to consider the references before issuance of the patent.
